

Association of
Title IX Administrators

Host Benefits

Regional Training Hosts

COMPLIMENTARY REGISTRATIONS

- Each host organization can receive up to ten complimentary registrations to their training. To receive all ten complimentary registrations, your training must have forty paid registrations. If your training has less than forty, you will receive complimentary registrations based on the confirmed number of paid registrations.
- Each host has the potential to receive additional complimentary registrations should the training exceed 75 attendees.
- Registering for a training includes more than just access to the training. It may also include:
 - Custom slide set for your specific training
 - E-playbook
 - Access to multiple whitepapers
 - Sample templates, forms, and policies
 - Two-year certification
- If your team would like to send additional attendees to the training, you will receive a discounted rate beyond your complimentary registrations. The discounted rate per person is \$300 for a two-day training or \$200 for a one-day training.

EXPOSURE- Be a Leader in your Region

- Each training includes best practices on the topic at hand. Our trainings have been proven to be the standard in the field and by hosting, you allow not only your team, but teams within the region to obtain these valuable trainings.
- Hosted trainings will be included within marketing material on ATIXA's website, listserv, social media, and newsletters.

PRE-APPROVAL STATUS

- At the completion of a successful training event, your organization will be considered for pre-approval status for future trainings.

COMPLIMENTARY CONSULTANT FEES

- ATIXA will cover all consultant fees, including travel.
